

Finchingfield St John the Baptist C of E Primary Academy

Admissions Policy 2022/23

Adopted: Autumn 2020

Next review: Autumn 2021

Published Admission number 2022/23: 12

There is no guarantee of a place for children living in the priority admission area. In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Looked After Children (in care of the authority);
2. Children with a sibling attending the school;
3. Children living in priority admission area;
4. Children residing on the old USAAF BASE;
5. Remaining applications.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest to the school given the highest priority.

Agreement for children living in the priority admission area

The Local Authority may request places above the published admission number in the following exceptional circumstances:

1. *For infant classes at the class size limit: if, outside the normal admission round, the next nearest school with a space is not within a reasonable distance of the home address; or*
2. *For junior classes or where the admission would not breach the infant class size limit; if the journey to the next nearest school with a space is not reasonable in terms of distance, accessibility or cost.*

KEY DEFINITIONS

Looked After Children

A 'Looked After Child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order will be given first priority in oversubscription criteria ahead of all other applicants in accordance with the School Admissions Code 2012. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (as defined in Section 22(1) of the Children Act 1989).

Children with Education Health and Care Plan (EHCP)

Children with Education Health and Care Plans that name the school are required to be admitted to a school regardless of their place in the priority order.

Age of Admission

Children born on and between 1 September and 31 August would normally commence primary school in Reception in the academic year beginning in September where they will become 5 years old.

As required by law, Finchingfield St John the Baptist CofE Primary Academy provide for the full-time admission of all children offered a place in the Reception year group from the September following their fourth birthday. Therefore, if a parent/carer wants a full-time place for their child from September (and is offered a place at the school) then they are entitled to that full-time place.

Parents/Carers can request that the date their child is admitted to school is deferred until later in the school year or until the child reaches compulsory school age in the school year. The law does not require a child to start school until the start of the term following their fifth birthday. Compulsory school age is reached at that point.

Where entry is deferred, the school will hold the place for that child and not offer it to another child. The parent/carer would not however be able to defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted.

Parents/Carers can also request that their child attends part-time until the child reaches compulsory school age. Any parents/carers interested in taking up a part-time place initially should contact the individual school(s) for further details as to what this would entail.

Where parents/carers choose to defer entry, Finchingfield St John the Baptist CofE Primary Academy expect that the child would start at the beginning of a new school term/half term.

Where a parent/carer of a 'summer-born' child (22 April – 31 August) wishes their child to start school in the autumn term following their fifth birthday, they will need to apply for a place at the correct time for the normal admission round for the following academic year. Supporting evidence from relevant professionals working with the child and family stating why the child must be placed outside their normal age appropriate cohort must be submitted. The County Council will decide whether the application for a Reception place will be accepted or whether it will be treated as an application for a Year 1 place, the child's normal age appropriate cohort. If the application for a Reception place is not accepted this does not constitute a refusal of the place and there is no right to an independent statutory appeal.

Distance tie breaker

All straight line distances are calculated electronically by the Local Authority using data provided jointly by the Post Office and Ordnance Survey. The data plots the co-ordinates of each property and provides the address-point between which straight line distance is measured and reported to three decimal places. In the unlikely event of two applicants with an identical distance competing for a single place at a school the place will be offered to one applicant on the basis of lots drawn by an officer of the County Council not involved in admissions.

Siblings

For applications made in the normal admission round a relevant sibling is a child who has a brother, sister, adopted brother or sister or stepbrother or stepsister living in the same family unit in the same family household and address who attends the preferred school or partner school in any year group excluding the final year. Biological siblings who attend the preferred school in any year group excluding the final year will also be treated as siblings irrespective of place of residence. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings. For mid-year applications a sibling is a child who has a brother, sister, adopted brother or sister or stepbrother or stepsister living in the same family unit in the same family household and address as a child who attends or has been offered a place at the preferred school or partner school at the time of application and determination and with a reasonable expectation that the sibling will be attending at the time of admission.

Priority Admission Areas

There is no guarantee of a place to children living in the priority admission area of a particular school. Details, including maps of priority admission areas are available on request from School Admissions.

Twins, Triplets etc.

For applications made in the normal admission round, if the last child to be offered a place is a twin and their sibling cannot be offered initially, the Local Authority will ensure both twins are offered a place. In the case of triplets or other multiple births, if the majority of children can be offered a place initially, the Local Authority will offer places to the remaining children. For example, if two triplets can be offered a place, the remaining child will also receive an offer of a place. For mid-year applications, where a family moves into an area necessitating a change of school for their twins (or triplets etc) and the majority can be offered a place then a place will be offered for the remaining child(ren). However, where the family does not move but wishes to transfer the children to another local school where there are insufficient places for all of them then a place would not normally be offered for all.

Waiting lists

A waiting list will be held by Essex County Council until the end of the first week of the autumn term and thereafter by the academy. This will be maintained until the end of the autumn term for a reception application. Mid-year applications will be placed on a waiting list by the academy, if requested by parents. Applicants will be ranked on these waiting lists in priority order, according to the school's admission criteria.

How to make Admissions for Primary School Places

To make an admission to the school please visit the ESSEX.GOV.UK website (see link below).

<https://www.essex.gov.uk/apply-for-a-primary-school-place>

Late Applications

Applications received after the published closing date will be treated as late applications unless there is evidence to show that the application or amendment could not reasonably have been made on time. A new preference or change in the order of preferences will not be accepted after the closing date unless the circumstances are deemed to be exceptional. Late applications will be given a lower priority and will be dealt with after all on time applications in the first round of offers in April. Where a school is oversubscribed late applications will be refused and ranked according to the admission criteria on any waiting list held for the particular school. All late applications will be considered by the Local Authority to ascertain whether exceptional circumstances for late submission exist. Where that is deemed to be the case the application will be treated as 'on time'. Where a school is oversubscribed late applications received after the first round of offers in April will be refused and ranked according to the admission criteria on any waiting list held for the particular school.

Applications made after the start of the autumn term

On receipt of an application after the start of the autumn term the Local Authority will contact the school in writing for the up-to-date numbers. If there are spaces in the year group an offer will be made or if not a refusal will be sent and the right of appeal given if it was a first application for the year group. Unless there is a significant and material change in circumstances a second application received in the same academic year does not have to be determined by the Local Authority and no second right of appeal will be given. When there are more applications, received on the same day, than the number of places available the school's admission criteria will be used to determine any offers that can be made. There is a process in place that considers parents continued interest in a place at an oversubscribed school. Details of the process will be available to parents who have applied and been refused a place after the start of the autumn term.

Appeals against admission decisions

Parents have the right to appeal against admission decisions to an Independent Appeal Panel. Information about how to appeal against a refusal of a school place will be sent with the offer pack. Notice of appeal should be sent to the Clerk to the Independent Appeal Panel, PO Box 11, Chelmsford, CM1 1LX.
